### **Parking**

The Bureau of Health Care Services will validate participants parking who park at **The DeVos Place Ramp or Government Center Ramp**. The green validation slip will only work for these parking ramps. They will not work for The Amway Grand Plaza Hotel Ramp.

You can pick up your green validation slip when you register.

As participants exit the parking structures, you must present both your validation slip and your parking ticket to the attendant to receive the validated parking. Attendants are not permitted to validate your parking if you do not have the green validation slip.

If there is not an attendant when you exit, you will complete the same process with the Pay In Lane Machine. You will input your parking ticket and when it asks for payment, you will input the green validation slip.

### **Directions to vending machine**

From Ballrooms: go north out of the Secchia Lobby and take a right into the Grand Gallery Lobby. The vending machine is on the right hand side in front of the Box Office. There is also an ATM machine there.
